1 discovery, too. You know, we're going to we're going to issue discovery 2 3 requests on this bonus issue. And we have issued plenty of 4 other discovery requests about themes that we -- things that we 5 need to develop in this case; our facts. And we're about to 6 depose people without those documents. 7 THE COURT: Well, I want Mr. Verhoeven to know he will be in big trouble. 8 And if -- even if I were to allow you to put on some kind 9 of stonewalling testimony, if you stonewalled, at least they're 10 going to get to reply with that kind of stonewalling evidence 11 before the jury. So good luck to both 8 9 sides. See you soon. 10 (At 10:18 a.m. the proceedings were adjourned.)
